

Kārearea Technology Newsletter

12-4-18

Dear Parents/Caregivers,

Kārearea Y7/8s will begin Technology at Edgecumbe College on Monday, 30th April which is the first day of Term 2. This programme will run for the whole of Term 2. The children will go to Technology at Edgecumbe College every Monday for the whole day during Term 2 and again in Term 4.

The fees for Technology continue to be subsidised by our BOT. The parent contribution of \$75 can be paid at the office or online.

For every Technology session your child will need....

- ❖ **Covered in shoes;** this is a Health & Safety requirement because of the machinery being used
- ❖ **Long hair tied back;** once again this is a safety issue because of the machinery being used
- ❖ **To take their lunch and a drink**

There will be occasions when they need to take a container if they are cooking. It will be up to the children to make sure they are prepared for any special equipment they need to take for the next week. This is usually organised a week ahead.

If you have any queries please feel free to contact me. My e mail is matt@otakiri.school.nz or you can phone me, leave a message at the office and I will contact you.

Matt Brown
Teacher - Kārearea
