Kārearea Class Newsletter

Kārearea have been participating in some technology challenges this term to strengthen our teamwork and problem solving skills.

An interesting attempt at a swing bridge. How much cello tape would it take to hold a real vehicle? Now that would be an interesting experiment!

Aryan and Charlie working hard to keep a growth mindset as they tackle the bridge building challenge!

Not a bad effort, but did it hold??

Kārearea have also been lucky enough to have Ting coming in to teach us Mandarin every Wednesday, as well as Whaea Poihaere continuing her amazing mahi every second Friday with her fun and engaging Te Reo Māori lessons. Lots of learning happening in Kārearea throughout Term 3!

BJ looking excited for AG Day with his new friend "Stevie".
