Kia ora Parents/Caregivers and Whanau

As we return to Covid-19 Alert Level 2 we are again taking all health and safety precautions recommended and doing our utmost to promote physical distancing.

We appreciate parents/caregivers once again dropping their children at the front of the school when they can, or completing the contact register in the office and using hand sanitiser if they intend on going to their child's class.

The overriding principles for Alert Level 2 are:

- 1. to minimise the risk that someone gets infected in the first place**
- 2. to ensure we can identify and contact anyone who has been in close contact with a person, if someone in a school or early learning centre is infected**
- 3. understand that Level 2 is not business as usual**
