Kia ora Koutou Katoa / Hello Everyone!

With the return to Covid-19 Alert Level 2, I was impressed with how Kākāpō students discussed how they were feeling and sharing their thoughts about what is happening locally and Auckland going into Covid-19 Alert Level 3. I felt that they were well informed either by their parents, watching TV, or for the 'odd' one being woken up by the Civil Defence App Alarm. In class there has been a soap dispenser installed and it is great seeing the students adhere to health and safety precautions recommended and we will be doing the utmost to promote physical distancing.

## MY HOLIDAY WITH DANIEL BY CALLUM

Daniel came over to my house during the holidays and we went for a ride my Go-Cart.

We rode down the road and saw cow poop on the road so we went on the side of the road to miss the poop.

Suddenly we were going really really fast and then we had to pull back onto the road. We saw a bit of cow poop on the mudguard but the poop fell off so we carried on.

Then Daniel said, " oh beep" and then I looked at him... poor Daniel had cow poop all over his face and all over the go cart.
